

# SCMA REGIONAL WORKSHOP

**Thursday, June 5, 2008: New Braunfels  
OR**

**Tuesday, Sept. 30, 2008: Eagle Pass**

Check-in/registration: 8 am

Workshop: 8:30 am - 4 pm

*Registration covers all training materials, refreshments, and lunch.*

## Introduction to Membrane Technology Workshop Topics:

- Membrane Separation Basics
- Anatomy of Membranes: Types, Styles, & Performance
- Membrane Water Chemistry: Operations & Optimal Performance
- Membrane Pretreatment: Purpose and Maintenance
- Troubleshooting: The Basics
- Cleaning & Sanitizing: Chemicals & Techniques
- Data Collection & Normalization: Types & Uses for Data
- Q&A Session

**Approved for 6 hours of TCEQ Water & Wastewater CEUs**

### SCMA Cancellation Policy

Cancellation requests received two weeks prior to the start of an event may choose to receive full credit toward a future event OR a full refund less a \$50 processing fee. Credit toward a future event, less a \$50 processing fee, will be issued for cancellation requests received after that deadline. In lieu of canceling, a registrant may elect to have another person from the same organization attend as his or her substitute without incurring a processing fee. The substitute is responsible for the non-member surcharge, if applicable.

SCMA reserves the right to make changes to event programs and speakers and/or to cancel events due to circumstances beyond its control. Every effort will be made to contact each enrollee if an event is cancelled. SCMA's liability for a cancelled event is limited to the refund of the program fee only.

By registering for an event, the registrant signifies his or her acceptance of this policy.

# ABOUT SCMA

The [South Central Membrane Association](#) is a nonprofit organization formed in 1997 as a regional affiliate of the American Membrane Technology Association. SCMA covers Texas, Arkansas, Louisiana, New Mexico, and Oklahoma.

Our goal is to improve the quality of water supplies through desalting, reuse, and other water sciences through focused activities, including:

- Facility design;
- Operator training and certification;
- Equipment manufacturing;
- Operation and maintenance;
- Environmental regulations; and
- Legislation.

Our members include organizations that supply water to community water systems or their users; companies or organizations that furnish equipment, material, or professional services used by community or industrial water systems in their projects or operations; and individuals and students interested in SCMA programs and objectives.

Our objective is to promote available technologies that improve water quality, education, training and certification of water and wastewater operators. SCMA aims to develop meaningful interface with regulatory agencies, ease technology transfers, and protect the environment.

SCMA membership offers multiple benefits:

- Discounted rates on workshops and conferences offered by SCMA and the American Membrane Technology Association;
- Advance notice of upcoming workshops and conferences;
- Free processing for TCEQ continuing education credits;
- Access to members-only section of SCMA website;
- Members-only e-newsletter; and
- Networking opportunities with other operators, suppliers, consultants, and regulators.

# REGISTER NOW

**Please check your workshop selection:**

**New Braunfels, June 5, 2008**

**Eagle Pass, Sept. 30, 2008**

**REGISTER EARLY FOR THE ADVANCE DISCOUNT.**

Must be received 1 week prior to the workshop.

**PLUS: Register 5 or more and save 10%!**

Call SCMA at 512-236-8500 for more information.

**Membership dues** (from below) \$ \_\_\_\_\_

### SCMA member rates

Advance registration \$125 x \_\_\_\_\_ \$ \_\_\_\_\_

Late & on-site registration \$175 x \_\_\_\_\_ \$ \_\_\_\_\_

### Nonmember rates

Advance registration \$250 x \_\_\_\_\_ \$ \_\_\_\_\_

Late & on-site registration \$300 x \_\_\_\_\_ \$ \_\_\_\_\_

**TOTAL** \$ \_\_\_\_\_

**Join SCMA now to register at the member rate!**

*Check appropriate category & provide information on reverse.*

**\_\_\_ Division I: \$150; \$50 per additional member from same organization**

Local, state, and federal governmental agencies and organizations and/or public and private utilities and industries that supply water to community water systems or their users

**\_\_\_ Division II: \$300; \$100 per additional member from same organization**

Companies and organizations that furnish equipment, material, and/or professional services used by community or industrial water systems in their projects or operations

**\_\_\_ Division III: \$100**

Individuals interested in SCMA objectives and programs

**\_\_\_ Division IV: \$25**

Full-time college or high school student

*Register early and save \$50.  
Space is limited!*

*Here's what attendees have said  
about previous SCMA events:*

*"I want all your programming  
close-by so I can attend."*

*"This was by far the best membrane  
conference that I have attended."*

*"Great job!"*

## Join the South Central Membrane Association for "INTRODUCTION TO MEMBRANE TECHNOLOGY"

Thursday, June 5, 2008  
New Braunfels, Texas  
**850 Lakeside Pass**  
hosted by Canyon Regional Water Authority

**AND/OR**

Tuesday, Sept. 30, 2008  
Eagle Pass, Texas  
**955 North Monroe**  
hosted by Eagle Pass Water Works

Approved for 6 hours of TCEQ Water & Wastewater CEUs

Membrane technology is the future of water treatment but knowledgeable, skilled operators already are in short supply.

Make plans now to attend the only workshop in the Texas area designed to position YOU to take a leadership role in the water and wastewater treatment industry.

You'll learn about:

- Nanofiltration, microfiltration, ultrafiltration, and reverse osmosis
- Where and how different membrane treatments are used
- How to prolong membrane efficiencies through pre-treatment and cleaning
- Chemicals and techniques for membrane cleaning and troubleshooting

PLUS you'll qualify for TCEQ water and/or wastewater operator training credits. SCMA members enjoy free processing of these credits.

Class size is limited!  
Register early to secure your place **AND** the advance discount.
