

Call for Abstracts for Conference Sessions Austin, Texas ■ October 27-29, 2008

The South Central Membrane Association invites membrane professionals and practitioners to submit abstracts for its 2008 fall conference and membership meeting, October 27-29, in Austin, Texas:

“Troubleshooting & Problem Solving in Membrane Treatment Facilities: Tools, Tactics & Techniques.”

Presentation Topics & Audience

Of special interest are presentations allowing for hands-on training and presentations by operators.

Conference attendees include utility managers, operators, vendors and suppliers, consulting engineers, and regulators.

Presentation Formats

Three types of presentations are planned:

- Type A: 20-minute solo presentations, followed by a 10-minute discussion period.
- Type B: Longer technical sessions allowing for hands-on training (equipment to be provided by presenter).
- Type C: Panel sessions presenting a variety of perspectives and/or knowledge on a single topic. (SCMA reserves the right to group Type A presentations into panels as appropriate.)

Abstract Submission Guidelines

Abstracts must be submitted by **May 1, 2008**, via email to info@scmembrane.org in either Word or Word Perfect format and using the following structure:

- Presentation title.
- Presentation type preference (A, B, or C).
- Author name, organization, and contact email address.
- Summary description of the presentation (**300 words or less**)

Proceedings

Copies of presentations will be made available to all registrants. Presenters agree to submit a PowerPoint to SCMA in the requested format no later than **Aug. 31, 2008**.

Interested in sponsoring or exhibiting? Call SCMA at 512.236.8500.

Interested in attending? Full announcement information will be available soon.
