Dear Membrane Professionals,

The South Central Membrane Association (SCMA) is in the process of developing the program for its Annual Conference which will be in San Antonio, TX on August 26-28, 2020 at the San Antonio Marriott Rivercenter.

SCMA 2020 Annual Conference theme: **"Solving Membrane Operation and Management Challenges"**.

The planning committee has determined that the following topics will be presented during the Conference:

#### **Presentation Topics & Audience**

The conference theme will focus on membrane technology, treatment, techniques and trouble-shooting. Solutions, lessons learned and case studies will be highlighted specifically the approaches and usages of membrane technology to address the need for water in SCMA's region. Topics of interest include, but are not limited to:

- **Basic Applications**
- **Case Studies or Lessons Learned**
- **Succession Planning and Knowledge Transfer**
- **Optimization and Sustainability**
- **Membrane Approaches and Technologies**

If you are interested in presenting, please fill out the attached speaker bio/abstract form and [email](#) by the deadline below.

- **Thursday, April 24, 2020** – Deadline for submission of speaker bio/abstract (must be submitted in approved form)
- **Thursday, May 11, 2020** – Notification of planning committee decisions
- **Thursday, July 23, 2020** – For those accepted, PowerPoint presentation must be submitted in the template provided (no paper is required)

If you have any questions or need additional information, please [email](#) or call 512-617-6529.

The planning committee looks forward to receiving many submittals for review.
